Parent Newsletter

November 2021

In October the children were busy, with so many fun Fall activities. The children were so excited to explore what Fall had to offer. Our Halloween party was a success, it was great to see the children and staff dressed up. Please take note of the dates below for all upcoming holiday events and closures. Daylight-Savings will occur on November 7th, which means it will begin to get dark earlier. Please send a long sleeved jacket/sweatshirt daily with your child (don't forget to label and check the lost and found).

Parent-Teacher Conferences

November 3rd and 4th we will be having our Parent-Teacher Conferences. Remember the our door closes at 3 pm. We are excited to have the opportunity for our teachers and parents to connect and talk about the progress of the children and set up goals for the year.
